I Ruth Chappell of
said County aged from my best information
past 85 years do make this following
Statement (Wg) "I am the widow of
William Chappell who in his lifetime was
a Revolutionary Pensioner of the United
States under the Act of June 7th 1832
paid and payable at the Agency at
Lexington Kentucky, the rate of which
I do not now remember - He said
William Chappell was a resident of
this County, and in the fall of the
year went to Lexington Kentucky and
drew his money, and there took sick
and died at the residence of my brother
Laban Fleasington - About two years
afterwards I went to Lexington to see
my friends and my brother Laban
went with me to the Pension Agency
and introduced me as the widow of
said William Chappell, and I gave up
his Pension Certificate and received
the arrears of his Pension that had
accrued from the date of his last drawing
until the day of his death the exact

date of which I then knew and as
I suppose proved by my brother —

I once had the record of his death
made in our Bible but we
have had occasion to look for
it heretofore but it has got destroyed
and my memory of late years
has failed me very much and
I must therefore refer to the
records of the Government even
for the year — Because I do not
know that my unassisted memory
could come even within two years
of it. — But I think that it has been
at least twenty years — probably more
I was married to said William Chappell
in Bullitt County Kentucky in the fall
of the year nearly 40 years ago, by
Reverend Simeon Hall, and my name
before I was married to him was
Ruth Quirk

I have never married again since
the death of said William Chappell
but I am still his widow

I make this declaration for the
purpose of applying for and receiving
the benefit of the 3rd Section of the
Act of Congress of February 3rd 1853.

and any other acts or constructions of this act now
I have heretofore made an applica-
-tion for Pension and Bounty Land
-about three years ago - and sent
on afterwards some additional proof
- Papers as I was informed by Mr
Samuels our County Court Clerk
were sent to a Mr S M Knight
of Washington City but I have
received no report since, and
Mr Samuels has sent me word
that he has heard nothing from
the case.

I hereby with full power of sub-
-stitution appoint C. H. Buckley of
Louisville Kentucky my true and
lawful attorney for me and in my
name to prosecute said claim
I once had a record of my marriage
to Mr Chappell but it is lost or
destroyed -

Dear Sir:

I advise you from the papers in the Revolutionary War pension claim, W.25410, it appears that William Chappell was born October 18, 1760, in Chesterfield County, Virginia.

While a resident of that county, he enlisted in the fall of 1776, and served three months as a private in Captain John Archer's Company in Colonel Miles Botts' Virginia Regiment. He enlisted late in February, 1778, and served one year as private and orderly sergeant in Captains William Fowler's and William Bentley's Companies in Colonel Gaskins' Virginia Regiment.

He married July 29, 1818, in Bullitt County, Kentucky, Ruth Quick.

He was allowed pension on his application executed August 19, 1833, at which time he was living in Bullitt County, Kentucky.

He died December 12, 1833, at Lexington, Kentucky, at the home of Laban Headington, who, his widow Ruth stated, was her brother.

On account of his services in the Revolution, his widow Ruth was allowed pension on her application executed May 27, 1838, at which time she was living in Bullitt County, Kentucky.

In 1869, she stated that she was ninety-six years of age and was a resident of Bullitt County, Kentucky, and her postoffice address was Pitts Point.

Very truly yours,

E. W. MORGAN
Acting Commissioner.
